Wow, Alberto lied when he told us the PADI was not secret. Turns out it's for management use only. Oh well, good to know, I guess.

SUBJECT: Your Questions re Transfer to Kodiak

TO: Cindy Bower

FROM: Andrew C. Hammond, Area Director

I received your email to me of February 12, 2010 and I received a copy of your email to Charmaine Scardina with the same date, which was forwarded to me by Maureen Whalen who was copied on that email.

In your email to me, you requested a copy of the PADI (Program Adjustment Decision Item) document regarding planned relocation of the Aquaculture Project from Fairbanks to Kodiak. In your email to Charmaine Scardina, you requested the name and contact information for the ARS Civil Rights person who reviewed and approved the PADI. You will be receiving in the coming weeks a letter with all the relevant information regarding relocation to Kodiak along with information about who to contact if you have questions. The PADI document itself is for management use only.
