The USDA Handbook on workplace violence is wrong.

"The following are warning indicators of potential workplace violence:
Intimidating, harassing, bullying, belligerent, or other inappropriate and aggressive behavior"

According to Syrilyn Tong, that's not a warning sign, it's an assault!

I'm trying to assemble stuff for _____. My goal is to send it off on Monday. The sooner we get legal help, the better...

So, what time's dinner?
