No I agree with her. It would fit in nicely with the document I prepared that shows ARS doesn't even mention sex discrimination on its website. it mentions all other kinds of discrimination and sexual harrassment (defined as inappropriate touching etc) but not sex discrimination.

I wrote her back and mentioned that we'd previously received these Knipling letters that included "non-sexual" harassment, (but this one doesn't). I'm glad she's still thinking about us, though...
